

**ALL MOBILE VIDEO
RENTAL TERMS AND CONDITIONS**

Rev 120131

THIS ORDER IS SUBJECT TO THE TERMS AND LIMITATIONS OF LIABILITY ON ALL MOBILE VIDEO, INC. (AMV) STATED BELOW ON THIS INSTRUMENT, ALL OF WHICH ARE INCORPORATED AS PART OF AND CONSTITUTE OUR AGREEMENT:

Camera and equipment not returned by 10:00AM will be charged rent for that day unless otherwise stated by AMV (LESSOR) in writing. Accrued and/or paid rental charges DO NOT apply against purchase price unless otherwise stated by Lessor in writing. Lessee (CUSTOMER) understands and agrees Lessor does not assume responsibility for results obtained from use of the equipment.

1. Lessee has made his own selection of cameras and equipment, without suggestions or recommendations of Lessor and Lessee understands and agrees that none of said equipment is warranted or represented by Lessor as fit for any particular purpose, or for any purpose whatsoever and Lessor makes no representations or warranties of any kind with respect to the performance or operation of any such equipment. Lessor assumes the entire responsibility that the equipment selected by him is the kind he needs for his own intended uses and purposes.

2. The Lessee has the privilege to examine and test the equipment and acknowledges that he has received, or will insure that Lessee receives the above described in good, workable operating condition, mechanically, electrically, optically and in all other respects to Lessee's satisfaction. Lessee acknowledges that he/she has inspected or will inspect and test all the equipment listed herein at the time of rental and he agrees that he will re-inspect and test all such equipment prior to the commencement of each occasion of use thereof and the customer agrees that Lessor has made no warranties or representations, EXPRESS, IMPLIED, ORAL, WRITTEN OR OTHERWISE as to condition, performance, operation, fitness for any use, useability, or any other matter.

3. In no event shall Lessor be responsible for any claims by Lessee for alleged loss of profits, damages, expenses, claimed to have arisen out of Lessee's use of the said equipment, or for any delays or any other reason. It shall be the duty of the Lessee to notify Lessor immediately of any claimed defect or non-function in any of the equipment herein and it shall be the duty of Lessee to check constantly the product produced as it is produced by him. Provided notice of claimed defect is given to Lessor immediately upon the holding of the required test by the Lessee and provided the said equipment is returned to Lessor forthwith for inspection by Lessor and provided there is a defect or non-functions claimed by the Lessee and provided Lessor in its sole judgment determines that said defect was not caused by any act of the Lessee or its employees or agents, then Lessor shall have the option of substituting other like equipment in exchange for the returned equipment, or canceling the agreement and recalling all equipment. The rental charges for all of said equipment so returned to and accepted by Lessor shall be abated from the time of acceptance of such return. In the event Lessor substitutes replacement equipment rental charges thereon shall begin to run as of the delivery by Lessor of such equipment. The provisions of this paragraph shall be the only recourse of Lessee for claimed defects in any piece of equipment.

4. Lessee shall at his own expense during the term of rental keep and maintain in his own custody at its aforesaid address or stated place of business the specified equipment in good condition and repair and shall at the termination of the rental replace such items which may be lost, stolen, missing, broken or damaged with others of a like nature or shall pay to ALL MOBILE VIDEO INC compensation at replacement cost value on account thereof. Lessee agrees to be an insurer of the equipment naming All Mobile Video Inc. additionally insured, loss payee, for the period that the camera and/or equipment are away from the premises of Lessor against any loss whatsoever and to assume full responsibility for all the equipment rented and agrees to compensate Lessor to full replacement cost value should such be lost, stolen, missing, broken or damaged for any cause whatsoever, whether or not due to fault of the Lessee. Lessee further agrees to compensate Lessor in rent for any time lost as a result of replacement or the need for repair on such equipment. Lessee shall, at his own cost and expense, but for the benefit of Lessor immediately insure the equipment for the full replacement cost value against loss including but not limited to damage by fire, theft, water, or act of God, in a qualified, reputable insurance company and shall deliver said evidence of policy to Lessor. Should Lessee be providing delivery/pick-up and/or shipment of equipment, Lessee's insurance must not include "unattended vehicle," "bonded lot" or similar exclusions.

Or, should Lessee not provide a certificate of insurance as described above, Lessee shall self-insure by providing a Visa, Mastercard or American Express credit card(s) with

adequate available credit no less than the replacement cost value of the equipment stated above. Should this credit card option for insurance be employed Lessee understands and agrees that any/all charges related to loss, theft, damage, liability and loss of use may be charged to the credit card(s) provided.

5. Lessee agrees that the leased property herein will not be taken from the United States without written consent of Lessor in advance, nor shall renter remove any equipment from the address aforesaid without notification to Lessor in writing and consent from it in writing. Lessor may at all reasonable times enter the premises where said camera and/or equipment is kept to review the state and condition thereof. Lessee shall not under lease, permit others to use or loan said equipment to any other person or firm, and it shall at all times remain under the immediate control, supervision and direction of Lessee personally. Lessee agrees not to remove or cover the identification tag, nameplate or barcode on the camera and/or equipment showing ownership of Lessor.

6. The camera and/or equipment herein shall be delivered and returned by Lessee at his own risk, cost and expense. Rental of all equipment taken out must be paid for the period of time until returned to Lessor. No allowance will be made because any part was not used by Lessee. If Lessee shall default in any of the conditions herein, or in punctually making any of the required payments, or if any execution or other writ or process shall be issued in any action or proceeding against Lessee, whereby said camera and/or equipment may be seized, taken or distrained, or if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against Lessee or his property or if Lessee shall enter into any arrangement or composition with his creditors or if any judgment is obtained against Lessee by anyone, then in such event, Lessor shall at its option retake immediate possession of such equipment and Lessor may enter upon any premises where such equipment may be located and may remove it therefrom without notice or express permission, free from liability to Lessee who herewith consents in advance to such acts. Upon Lessor retaking possession as aforesaid this agreement shall forthwith terminate, without prejudice to liability of Lessee to Lessor for arrears of rent or for any preceding breach or breaches of this agreement or for rental for the balance of the unexpired term herein or for any other reason.

7. Lessee does herewith grant Lessor an option to terminate this agreement on 24 hours written notice by registered mail or personal service, where upon Lessee shall immediately return to Lessor at Lessee's risk, cost and expense the camera and/or equipment in the same condition as when first rented, and Lessor shall upon receipt thereof refund the unexpired portion of any rental prepaid by Lessee, less all claims by Lessor and the foregoing may be with or without cause. Lessee hereby agrees to pay all reasonable attorneys' fees and cost incurred by Lessor in protecting its rights under this agreement, or in any action against Lessee for a breach thereof. Acceptance by Lessor of the return of the rented camera and/or equipment shall not be waiver by Lessor of any claims it may have against Lessee under this agreement or for latent or patent damage to camera and/or equipment.

8. The rental agreement involves a commitment of Lessor resources which precludes Lessor from accepting other business. Accordingly, should Lessee be required to cancel any of the contracted schedule, fees commensurate with the term of the cancellation will be assessed as follows: From date of notice of cancellation to twenty-two days prior to utilization a 25% of the contracted billable rental charges fee will apply. From twenty-one to eight days prior to utilization the cancellation fee will be 50% of the of the contracted billable rental charges. From seven to four days prior to utilization a 75% of the contracted billable rental charges fee will apply. Lastly, from three to zero days prior to utilization, the cancellation fee will be a 100% of the contracted billable rental charges.

9. Unless otherwise stated in writing, payment is "now due" as invoiced immediately upon receipt of billing covering any/all rentals and purchases. Failure to pay any bill in full within forty-eight (48) hours after due, shall entitle Lessor to retake possession of all equipment without notice, without demand, by all legal means available.

10. This agreement contains the entire understanding between the parties hereto including representations and may not be modified except by instrument in writing signed by both parties hereto. No terms, representations or warranties, express or implied not herein set forth in writing shall bind Lessor.

WE HAVE READ THE ABOVE TERMS AND AGREE TO RENT SAID EQUIPMENT ON ALL THE TERMS AND CONDITIONS STATED.
